TWENTY YEARS

THE BIG "K"

Twenty Years of Change

Twenty years have passed since Kiski first opened its doors in 1962. Kiski has seen the psychedelic sixties, the Vietnam War, Watergate, and most recently-the Reagan budget cuts. It has seen many good times and many bad times. But Kiski has held on for all twenty of its exciting years, and it will continue to hold on and be one of the best—"The Big K!"

In the beginning, that is, September of 1962, Kiski opened as the conglomeration of the Vandergrift, Allegheny, Belle-Avon, and Burrell school systems. The main concern, at that time, was overcrowding. There were many fights and group alienation with the new system. But as those first few years passed, and people got used to the idea of Kiski Area, the students pulled together and were unified into loyal spirited "Kiskiarians". Later on, Burrell pulled out and Washington joined the other areas to conduct the new school system, as they do today.

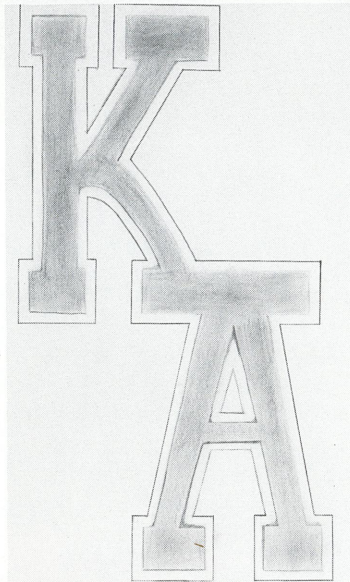

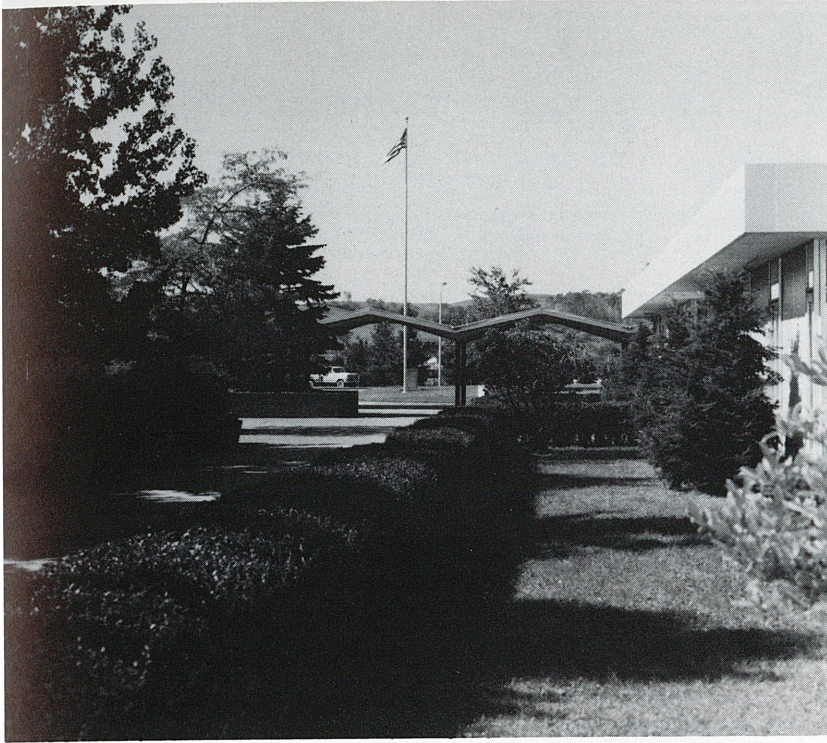

The early conduct and dress codes were very strict. Students were not permitted to wear jeans, and girls were not permitted to wear slacks at all (except for the time going to and from school in cold weather). Discipline was quickly administered to deserving students (much like it is today).

During the Vietnam War years, student rebelliousness at Kiski was at an all time high, as it was almost everywhere. But, as noted by many teachers, the Administration "prevailed" and kept order. Spirit was low and the future looked dim, but, like everything else, that changed, and today, the New Administration is setting Kiski up as one of the best high schools in Pennsylvania in all categories.

Kiski's design won the designers, Curry & Martin and Perkins & Will, an award as the best school layout. The New School included an administration building (with an auditorium, a cafeteria, and a gymnasium. Students had to use the pool at the Vandergrift Junior High for meets. After several years had passed, the Administration decided to provide Kiski with their own pool. So the pool/auxiliary gym building was built next to the gym. A few years later, the library we know today and the upper cafeteria were added.

The people of Kiski have changed over the past twenty years. Even the face of Kiski has changed. But Kiski's reputation as a respected high school, considered one of the best, has changed little during its relatively short existence. This yearbook is dedicated to that twenty-year history and its memories of The Big "K".

TYPISTS- J. Speer, L. Fisher.

Who are the people that make this book possible? The members of the yearbook staff, of course! There is a lot of hard work and dedication that goes into our yearbook.

Selling donuts every Thursday morning is just one of the many things the business staff does to raise money for the book.

The production staff works very hard to get the book done on time. This means working during activity periods, study halls, and after school. Their job is to put the book together. Without the photographers, however, that would be impossible-since you can't have a yearbook without pictures. Also, the production staff depends on the literary staff to write articles for the book. The typists spent many frustrating hours trying to meet the deadlines. All of this is under the guidance of Miss Fedorek, our new advisor. In finishing, you can see that everyone involved plays an important part in the production of our yearbook. We hope that you will enjoy it for many years to come.

ADMINISTRATION

DR. STEPHEN M. VAK
SUPERINTENDENT

This year, Kiski gained a new superintendent, and a whole new outlook on the various issues confronting the district's administration. Our new superintendent is Dr. Stephen M. Vak.

Dr. Vak was originally from Schuylkill Haven, Pennsylvania. He is very experienced in the field of school administration. He served as Assistant and Substitute Superintendent of Pine Grove Area School District from 1974 to 1977 and Superintendent from 1978 until last year.

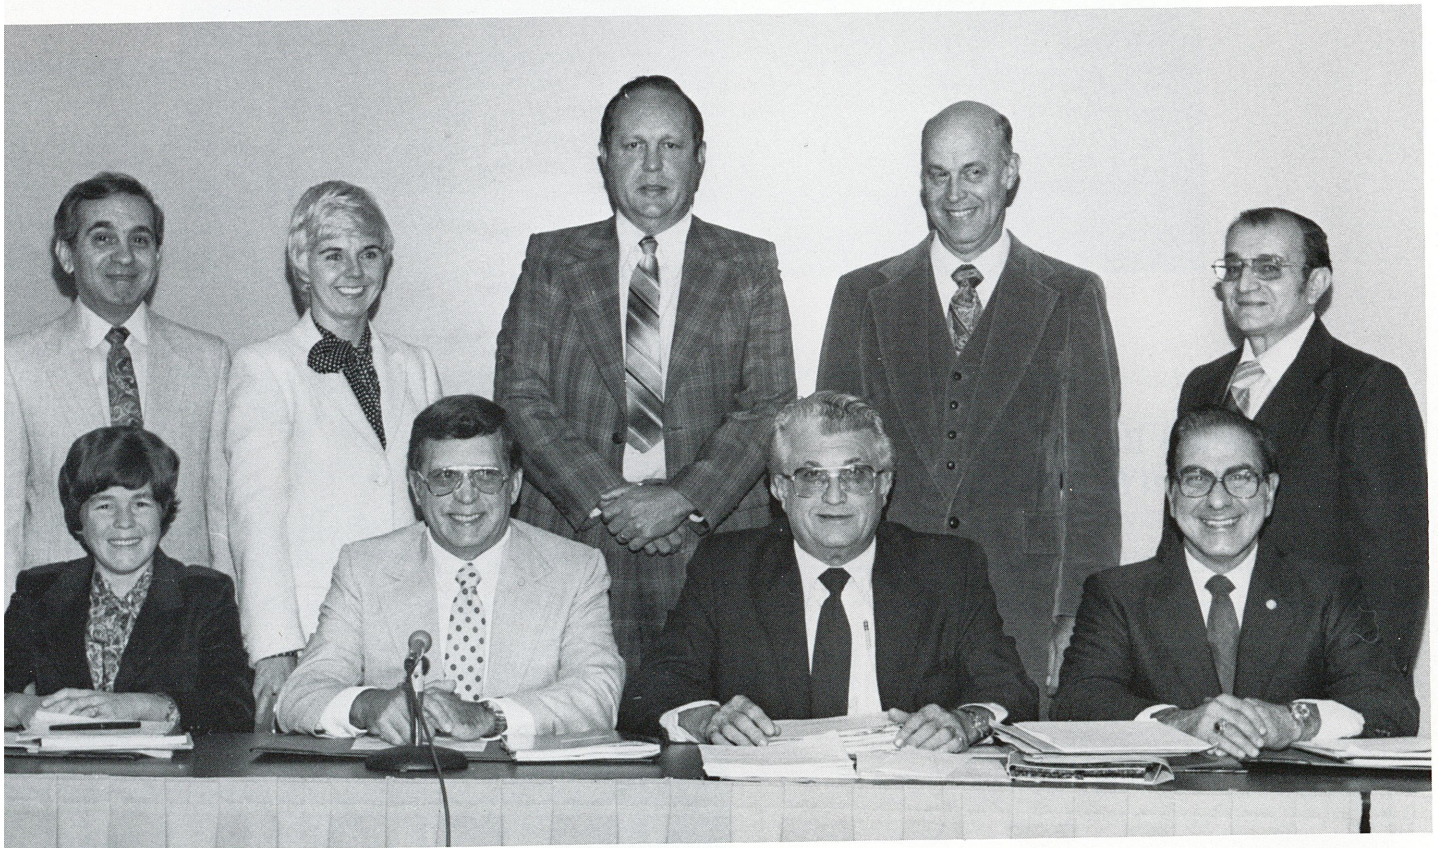

Dr. Vak began his career in education as a mathematics teacher for the Schuylkill Haven Area School District, the North Schuylkill Area School District in Frackville, Pennsylvania, where he also served as chief negotiator for the Teachers' Association, and for Penn State University, Schuylkill Campus, from 1968 through 1974. He has also coached football and wrestling, and has been active in the Little League and the Boy Scouts.

Dr. Vak is a graduate of Susquehanna University where he attained a bachelor's degree in mathematics, and holds a master's and doctorate degree concentrated in educational administration from Lehigh University in Bethlehem, Pennsylvania. He is a member of the Phi Delta Kappa Fraternity, the Pennsylvania School Boards Association, and the American Association of School Administrators.

Dr. Vak plans to place greater emphasis on academic achievement and add some courses to Kiski's curriculum, one of them being a course in computer technology. He also sees an increase in both academic standards and graduation requirements in Kiski's near future. As far as discipline goes, Dr. Vak views a stricter discipline policy as necessary to carry out those goals. He has stated that he is determined to make Kiski one of Pennsylvania's best high schools.

Dr. Vak is very active in his community and with the students of Kiski. He has participated in wrestling matches, weight lifting, and jogging with students this year and plans to maximize his contact with them. He said, "The school is for the students and that's what I'm here for."

EXCHANGE STUDENTS

Monica Compero, Ileana Ortiz.

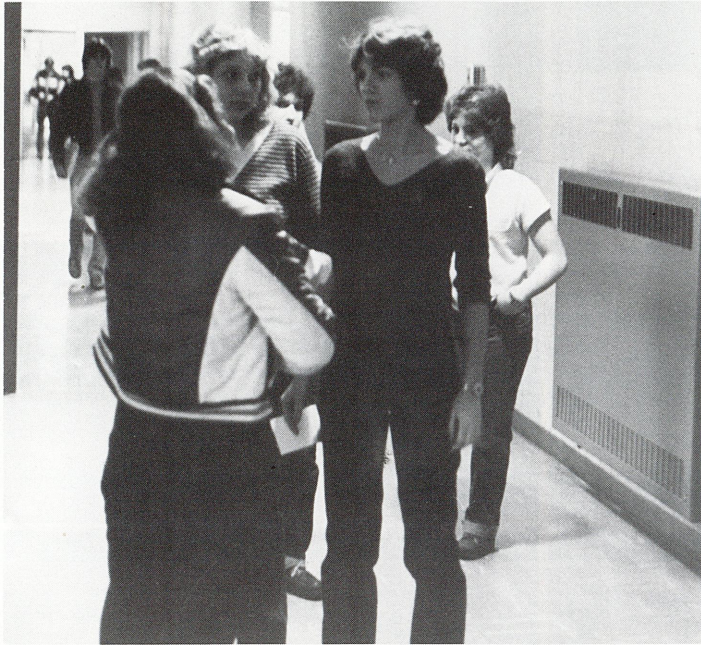

Kiski Area has once again had the privilege of hosting two foreign exchange students. Monica Compero and Ileana Ortiz. They studied at Kiski during the 1981-82 school year. Monica is from Trujillo, Peru. Ileana is from Cartagena, Columbia. It was the first time either of them had been in the United States. Ileana stayed with Danielle Shaeffer and Monica stayed with Beth Lundie. Both of the girls graduated from high school in their own countries. Ileana plans to study industrial engineering and Monica wishes to major in economics at a University in Peru. We hope they had an enjoyable year in America and we wish them luck in the future.

The marching band uniforms were put away and the concert band settled down to another great year. The sound needed for playing outside had to be tamed for playing inside. But with Mr. Botti's help we quickly adjusted.

Playing the music at first was slow and tiring but with the key ingredient, practice, we had a polished concert ready for April.

This year something different was tried with the concerts. Instead of the concert and symphonic band performing together as usual, the mixed chorus performed with the concert band and the symphonic band performed with the concert choir. This was a nice idea because the instrumentalists were able to appreciate the vocalists and visa-versa. Everyone involved heard the best of both worlds.

This year was an active one for the members of the Symphonic Band. We were adjudicated at Indiana University of Pennsylvania, we competed at Ocean City, and performed at Kiski. But to get ready for all of this we put in a lot of hours of practice by ourselves and with Mr. Lamendola. He pushed us on when we were tired of practicing and gave us the support we needed to go on. All of the hard work was worth the sense of pride we felt after a concert.

STAGE AND PEP BANDS

To say that 1981-1982 was a busy year for Stage Band "A" would be an understatement. In February we were in the jazz-rock concert here at Kiski. We performed at Hempfield, hosted the Alleghenese Jazz Festival, and were adjudicated at Indiana University of Pennsylvania during March. In April we went to a festival in Meadville which was organized by the National Association of Jazz Educators. We held a Jazz-a-Rama with Stage Band "B", at our three junior highs in May, and we went to Ocean City, Maryland with the Marching Band for competition. In addition to all of this, we sold pizzas and held other fund raisers to get enough money to travel to an out-of-state jazz festival.

Although we were very busy, and put in a lot of hard work, we enjoyed ourselves. This was a great year and we will always have fond memories of it.

Stage Band "A"- ROW 1: C. Capretto, Mr. Catanza, J. Kapustik, J. Rattay, T. Hammill, R. Pratkanis, C. DelVecchio, L. Fisher, D. Gabrielcik, D. Yench, ROW 2: L. McCoy, B. Hostetler, B. Veach, C. Yench, J. Williams, D. Accipiter, M. Hostetler, ROW 3: K. Veach, K. Carter, J. Capretto, J. Mazur, D. Tarosky, J. Schoener, M. Sheetz, B. Maglocchi, P. Sutherland.

ROW 1: R. Stokes, T. Maher, J. Kettering, M. Tarosky, R. Lewis, S. Miller, M.B. Floyd, M. Motosicke, J. ROW 2: L. Moore, L. Pecko, Mr. Lanendola, C. Parks, J. Pastor, C. Shondelmyer, T. Chiodo, K. Mythe, C. Nicksic, B. Rupert. ROW 3: B. Szymczak, K. Veach, K. Carter, T. Skovenski, R. Fontana, E. ish, J. Floyd, D. Sober, K. Leeman, T. Hoover.

After each position in Stage Band "A" was filled, there were still several talented musicians who were not included in it. These musicians formed Stage Band "B". Mr. Lanendola, the director of this band, says there hasn't been a Stage Band "B" for about five years. This year there were enough good players to start Stage Band "B" again.

They had practice during activity periods on Mondays and Thursdays. They scheduled a performance at the Jazz-Rock concert and at the Jazz-O-Rama.

Their talent and pride show that you can do anything if you try.

During the football season you may wonder who the musicians are that play for the pep assemblies. These people are members of the Pep Band, which consists of a few musicians from each section of the Marching Band. This smaller group of musicians are responsible for playing the spirited fight songs that get everyone in the mood for sheering and winning.

ROW 1: B. Grove, T. Maher, L. Wills, B. Turpin, L. Wilt, S. Coffman, K. Wonders, A. McAnich, J. Hill, C. Baker. ROW 2: D. Tarosky, M. Woycio, L. McKelvey, R. Stokes, A. Young, D. Gabrielcik, M. You're sitting in a corridor with high school students you have never seen before. Individually the students enter a room. When a person comes out he is rushed by the other students who ask, "How many of them are in there?" "We're lucky this time - - - there is only one," is the reply (sometimes there are four or five). Inevitably, it is your turn. Everyone watches silently as you enter the room and the door shuts.

This may sound like something from a horror movie; it isn't. This is how a person feels who is about to be auditioned for an honor band for the first time. If you play well you are picked to be in that Honor Band.

Kiski was represented by musicians in the Alle-Kiski, County, District and Region honor bands. Your director's recommendation is needed for County and District honor bands.

DIRECTORS: Mr. Wolfgang, Mr. Lamendola, Mr. Botti

MANAGERS- KNEELING: G. Bush, S. Johnston. STANDING: M. Fox, C. Hausele, K. Kozma, L. Bryan.

The Marching Band started its annual two weeks of band camp in the heat of mid-August and ended its marching season in the snow and excitement of November at the W.P.I.A.L. playoff game at Pitt stadium. But between then we spent time after school out in the back parking lot practicing the correct style of marching for parades and for half-time shows.

Besides memorizing music and maneuvers for these shows, we learned a pre-game drill, a show for band night (the three Junior High Schools join the High School band in one spectacular half-time performance), and a show the seniors created in which they are given recognition.

In addition to the football games we performed in three marching band festivals, the Avonmore Festival, the Oklahoma parade, a Christmas parade and a parade to honor Labor in Vandergrift. By selling hoagies, raffle tickets, cheese and sausage, we raised money to go to a national competition at Ocean City, Maryland.

We owe a great deal of thanks to Mr. Botti, Mr. Lamendola, Mr. Wolfgang, Rich Pratkanis and the Band Boosters for keeping our hectic schedule running smoothly. We couldn't have done it without them.

CHEERLEADERS

Fred Como . . . Always monkeying around.

The 1981-82 cheerleading squad had to work overtime this year. Playing through the regular season wasn't enough for the Kiski Area Cavaliers. They made it into the playoffs and all the way to Pitt Stadium. But the added games and extra work didn't bother the cheerleaders at all.

After football season they moved right into basketball. Cheering twice a week plus practices each week really kept the cheerleaders busy.

Half way through the basketball season, it was announced that no squad in the Foothills Conference would be permitted to do mounts due to several accidents that have accured in other schools. This was a disappointment since mounts are a big part of any cheering squad.

But despite this ruling this year has been an enjoyable and exciting one for the Kiski Area Cheerleaders.

COLORGUARD

Left to right: T. Gengo (Co-Captain), S. Cassell, R. Hunt, N. Klingensmith, L. Kestner, D. Phillips, A. Nasser, P. Spaid, S. Dynka, B. Knight, S. Lesko, C. Canzano, L. Hall, L. Heinlein, G. McMahon, D. Yanacci, R. Radcliffe, L. Pirhalla, L. Kuruc, G. Bottegal Rifles (L to R): L. Wagner, D. Ward, C. Painter, J. Sheaffer, L. Swarmer, S. Daugherty, L. Rupert, C. DelVecchio, G. Daily (Rifle Captain)
Honor Guard: K. Martin, P. Scanga, L. Reilly, T. Klick, P. Pollick (Captain).

Sunburned, sore feet and sore backs are just some of the pains we endured to make the 1981-82 Colorguard the best ever. While most people were lounging around the pool, we were hard at work. We gave up part of our summer and everyday after school to intense practice in order to reach that goal.

Finally, the football season started and we marched proudly onto the field. We will always be proud to say that we were members of the Kiski Area Colorguard.

MAJORETTES

ROW 1: E. Bizakis (co-head), E. Kunish (head). ROW 2: L. Gotshall, H. Ray, S. Mandis, L. Pecko, A. Gearhart. ROW 3: K. Cresswell, J. Lynch, C. Carbonetti, V. Bastecki, P. Yount, K. Adams, L. Pratkanis, S. Lipski.

The hard work and sore muscles all began after the announcement of the 1981-82 majorettes last spring. The many hours of practice all paid off as we danced and twirled to the sounds of the Big K band.

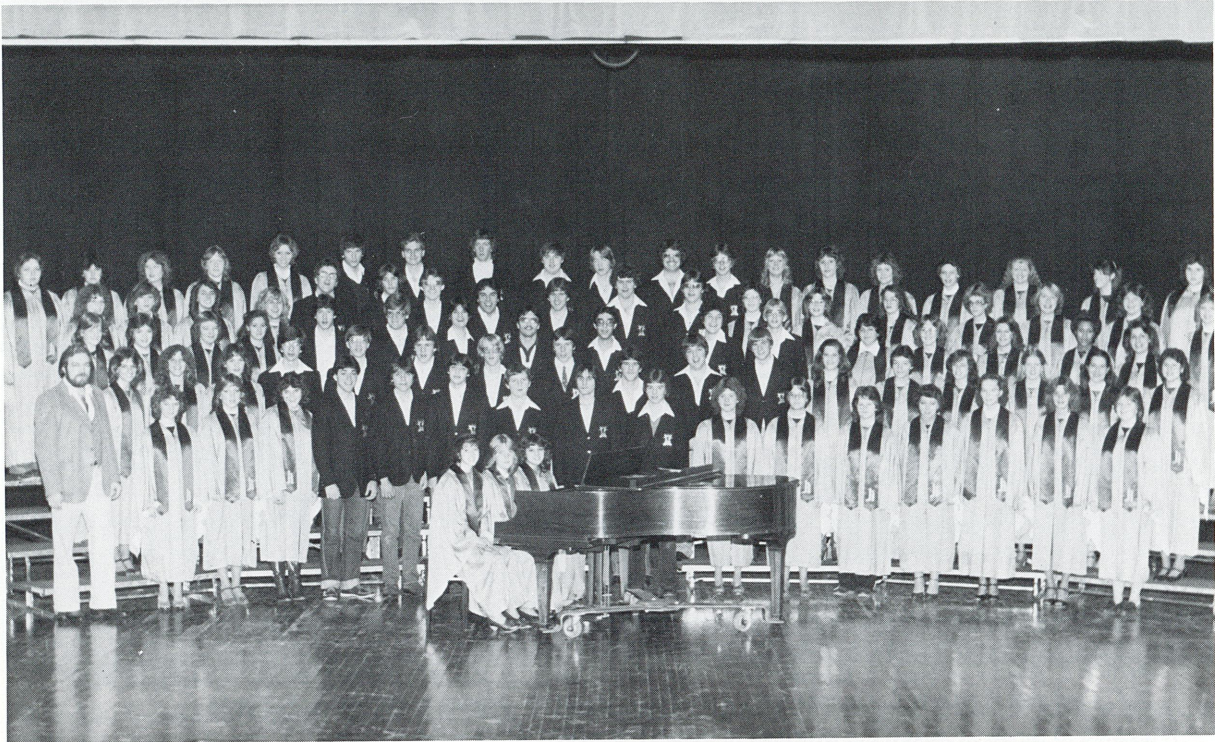

We had many fund raisers and were able to buy new flash flags, and chemicals for our lighted batons.

Our new sponsor, Mrs. Waltenbaugh, put many hours and headaches into our routines, but hearing her say, "Girls, you looked fantastic", made everything worthwhile.

We feel that this year was very successful and we will always be proud to say that we were members of the Kiski Area Majorettes.

The motto for this year's Concert Choir was "Think positive". This phrase kept everyone's (including Mr. McClelland's) spirits up when it seemed like we could never learn our parts.

And the motto was effective. After several schedule changes, due to inclement weather, the Concert Choir presented Anita Kerr's "The Christmas Story", which included a beautiful version of the Christmas classic "Silent Night" (and it was in tune!).

But the work didn't stop there. It was then time to start preparing for the spring concert. It meant more hard work, but it was well worth the effort.

The concert choir had a very good year, and everyone worked very hard to make the '81-'82 Concert Choir one of the best ever.

SPECIAL CHOIRS

This year 17 students represented Kiski Area at Westmoreland County Chorus. It was held at Mt. Pleasant High School. Eighteen chorus's competed against each other in several categories. All the members auditioned for the solo as a group under the direction of mr. McClelland. They performed a occpella arrangement of "Silent Night". All their hard work paid off when they were honored with first place.

"Where there is music, there is harmony. Where there is harmony, there is love." This quote, made by Mr. McClelland, is his view of this year's theme: Kiski Area "Melting Pot". This year's goal was to bring together people from all different backgrounds. One example of this is our Glee Clubs. They are separated from the Mixed Chorus and The Concert Choir. Unfortunately, these combined talents only perform at the Spring Concerts, but are expected to get more involved in the coming years.

Before you can become a member of the Concert Choir, you must first be a part of the Mixed Chorus.

The Mixed Chorus is made up of Sophomores and is considered to be the "stepping stone" in Kiski's Vocal Music Department. The students work very hard to shed their Junior High singing habits and develop a more mature and professional sound. Tone quality, Vibrato, and diction are the most important lessons the Mixed Chorus members learn. They are not easy to learn and often take several months to achieve. But once the Mixed Chorus gets on stage, all the hard work days off.

JAZZ ROCK

Row 1: L. Wilmot, S. Szuch, K. Ashbaugh, J. Keibler, M. Aiello, S. Kalinowski, T. Rossi, V. Kramer, L. Zidek. Row 2: L. DeCecco, R. Debick, Mr. McClelland, B. Daugherty, D. Byers, D. Artman, R. Phillips, L. Hoffer, V. Matthis, R. Chioldi, T. Koontz, J. Shaw, C. Painter, B. Zimmerman, T. Thompson, R. Davie.

How many schools have their own band? Not many. In fact, the Kiski Area Jazz-Rock Ensemble is one of the few of it's kind in Pennsylvania.

Jazz-Rock is made up of a group of talented musicians and singers. Most of its members also participate in band or chorus. They rehearse each day during activity period and also on Tuesday nights.

Under the direction of Mr. McClelland, they work very hard to achieve just the right sound. This year's Jazz-Rock was very busy preparing for several concerts and appearances throughout the year. Many extra hours were spent practicing by everyone. But being in Jazz-Rock isn't all work, it's also fun.

This year marked a turning point for the Audio-Visual Club. For the first time in several years, the A.V. Club was without the major project it became known for: its telethon to raise money for Childrens Hospital.

Without the telethon to occupy their time, the members of the A.V. Club, with the help of sponsors, Mr. Duckworth and Mr. Stauffer, sought new goals to keep the club active.

This year, the club, through KAE-TV 12, televised all the home girls' and boys' basketball games, the gymnastic meets, and the wrestling matches.

With all this to keep them busy, still, they never lost sight of their primary function: to serve the teachers. The first activity of every day was to deliver equipment and films to teachers.

The Afro-American Club, under the valiant leadership of Mr. Pipkins, sought all year to fulfill their goal; to establish black pride in the Kiski Valley.

They had many fund-raisers to achieve their goals.

The Afro-American Club had been successful in achieving black pride at Kiski Area.

DRAMA/LIBRARIANS

"To be or not to be", that was the question. The Drama Club had a late start this year, but thanks to Ms. Wichrowski and Ms. Michaels it has become a successful, active club. This year members will produce the Broadway musical "Pippin".

Parlez-vous Francais? If you answer yes to this question then room 203 with Mrs. Baun was the place for you to be during activity periods on the second and fourth Tuesday of the month.

Le club de Francais (the French Cluc) got off to a good start, electing Ruth Ryman as president and Lynn Rupert as vice president. Sheryl Troilo was elected secretary/treasurer.

The French club sold fish-shaped cookies on April 1, which is Fish Day in France. This is sort of an April Fools day.

Throughout the year they were busy thinking of other activities to promote their banquet in May. At this banquet, they enjoy French food that they prepare. As anyone belonging to the French Club could tell you, it was a great year.

The zany German Club is made up of the members of Mr. Pipkin's German classes. The sophomores, juniors, and seniors all have something very special in common-they all "sprechen Deutsch", or at least they try to!

Things were a little slow at the beginning of the year, and raising money for activities was rough. But after things got under way and the members got organized things moved right along. The German Club provided people who have something in common, to get together and have a lot of fun.

They learned to write their own programs to enable a computer to perform many tasks. Some members even entered a competition in which entrants are assigned problems and allotted a certain amount of time to write a program which could enable the computer to come up with the solution.

STUDENT TRAINERS/VARSITY

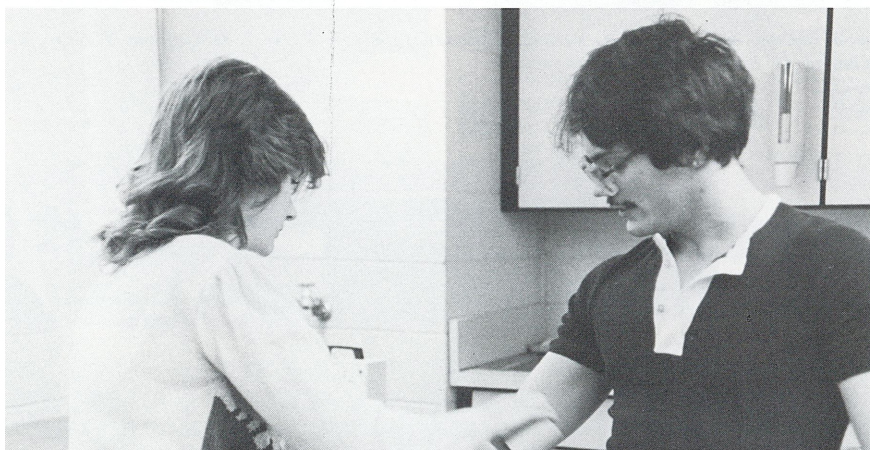

ing: C. Briggs, S. Fairman Standing: H. Mintz, C. Brosky, Miss Clark, L. Powell, K. Fabry

Kiski's student trainers are those dedicated students who could be found either in the training room or on the sidelines at athletic events. The trainers are always ready and willing to help an injured Cavalier.

Kiski had a new head trainer this year, Miss Lee Anne Clark. Miss Clark, a former Kiski student and trainer herself, attended Slippery Rock State College where she was a trainer for three years. She was also a student teacher here at Kiski.

Alot of long hours go into being a trainer, and trying to keep our athletes healthy.

The "BIG K" Varsity Club is made up of accomplished athletes who have displayed outstanding talent in sports. They set an example for the entire student body to follow. Under the supervision of Mr. Wilts and Mr. Morea, the varsity club promotes sports and pride in Kiski Area athletes.

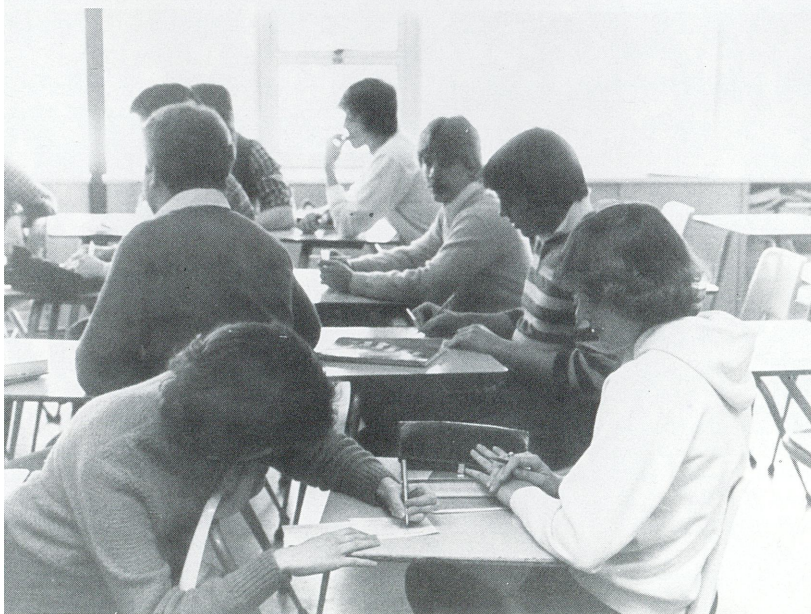

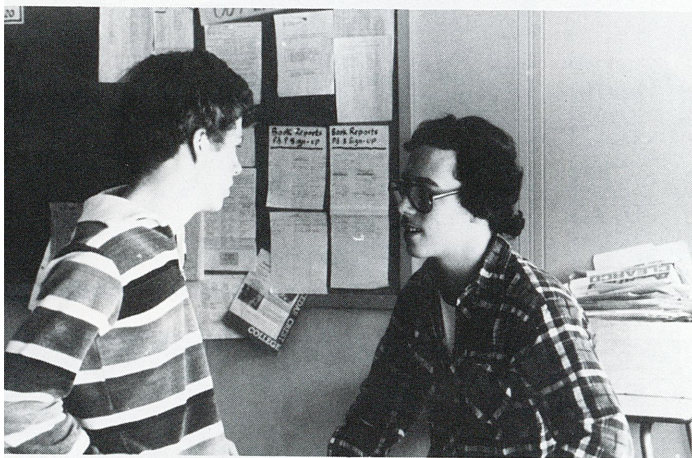

But the main purpose of the club is to give Kiski's Cavaliers chance to raise money for their varsity tickets.

The Tri-Hi-Y is a service-oriented organization, serving the school and surrounding communities. This year they sponsored an adopt-a-grandparent program, where they sent cards (birthday, Easter, etc.) to the people in the Armstrong County Home.

During the year they have had different service projects planned for each month and several fund-raising programs. All the money we raise is to sponsor our various service projects.

Typing Club members love to type:

They meet every Wednesday in Room 417. They use this time to advance their typing skills, play games or make up work.

In the Typing Club, seniors and juniors get to know one another and have fun talking about their different business courses.

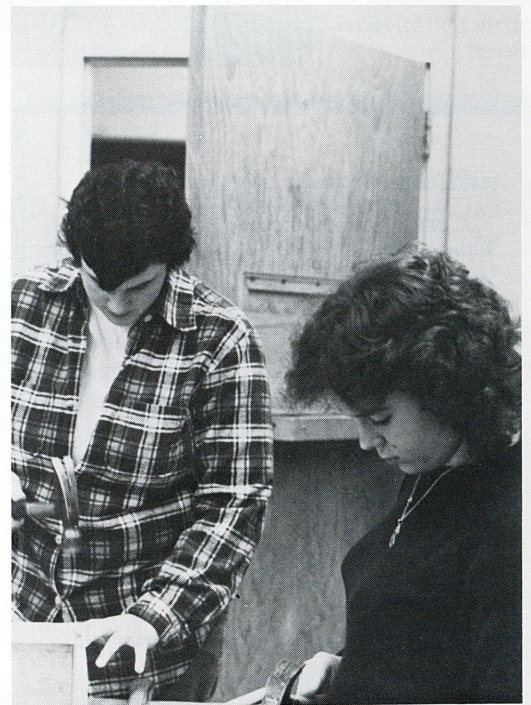

Peek into Room 417 on Wednesdays, and see these "busy typists".

JA/STAGE CREW

J.A. stands for Junior Achievement. J.A. is a mini-business in itself. It is totally managed and run by the students. They meet in two different groups; one on Monday, the other on Wednesday night. They promote their business by selling stock in their company and producing a product to sell to students and other businesses.

The Stage Crew is responsible for designing, constructing, and building all equipment used in major productions and the spring play. To be a member of the Stage Crew, you have to be taking wood shop. Mr. Tarosky is the sponsor and coordinator of the club. Without the Stage Crew, the show could not go on.

R. Shirley, J. Hesketh, C. Stewart, D. Boggs, Mr. Tarosky.

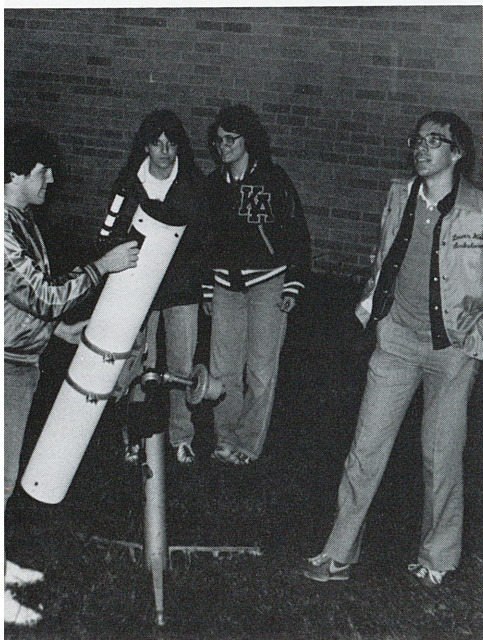

SCIENCE CLUB/STAR GAZERS

The Science Club meets twice a month and offers a variety of activities to its members. These include: discussions, experiments, demonstrations, field trips, guest lectures, work as laboratory assistants and viewing films and videotapes. Some of these activities involve the entire membership while others are done on an individualized basis. In all cases, the purpose is to allow the students to expand their interest in science.

Coming out and looking through the telescope in the observatory on the clear fall and spring evenings was the highlight of Astronomy classes this year. It was a very fun-filled, learning experience. Mr. Yajko, the teacher of the Astronomy classes, taught us many things about the planets and stars. All of the things we learned were very interesting. Like constellations, the stars, and the facts about the planets, just to name a few. The students of the classes enjoyed it very much and will never forget it.

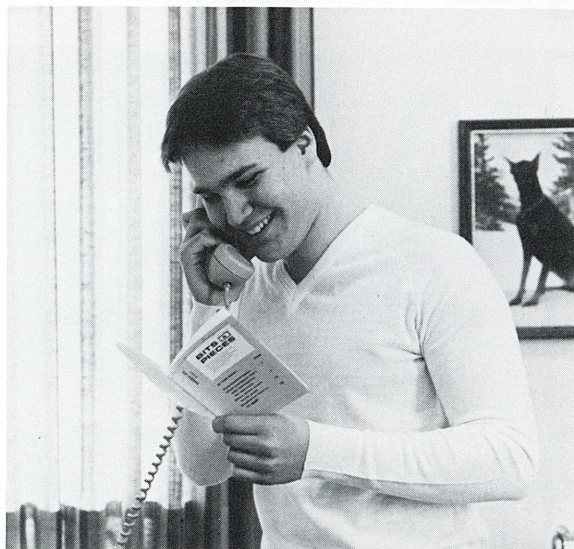

PEP CLUB/THOUGHT FOR THE DAY

Every time a pep assembly is held, there is a group of cheering students heard above all others. These students are members of the Pep Club.

The Pep Club does a lot more than cheer, however. They sponsored Homecoming this year and sold Homecoming mums. They also helped to make signs and posters for the Foothills Conference game.

The Pep Club is a well organized group under the leadership of Miss Michaels. It is a terrific club for anyone who wants to help boost Kiski spirit.

We are the students who start your day at the Big "K" with the immortal words "The thought for the day is". As members of the club, we were faced with the daily task of searching through books and magazines to find an appropriate saying or quotation. Some were funny, some were enlightening, and others were just plain "Different". Whatever the case, we hope that we were able to add a special part to your day.

Having the qualities of scholarship, leadership, service, and character, we were chosen as members of the National Honor Society. It was a great honor and unforgettable experience!

Following NHS tradition, we held several coffee houses throughout the year. These, along with bake sales and other activities helped us raise money for our action ceremony, held for the new members in March, and to purchase the regalia we wear at graduation.

The year was filled with innumerable rewards, opportunities, and pleasures. A sincere thanks goes to our sponsor and friend, Mrs. Clubston, for all the help and guidance she gave us during the year.

The Youth Traffic Safety Council is a group of students dedicated to promoting traffic safety throughout the area. Although we are not well known here at Kiski, we are very well known as a working group throughout the state. Together with our sponsor, Mr. Bassetti, the rest of us put our ideas together, and made plans for projects to help mold a safer, more responsible society. Included in our projects this year was hanging up bulletin boards on safety in the L.G.I., passing out candy canes along with a safe message at Christmas time, and putting articles in the local newspaper. Our major project this year was putting the drivers handbook into cassette tape form.

Every month we met with the representatives from other high schools in Intermediate Unit 7 to share our ideas and projects. Finally speaking, it was a good year and a worthwhile experience in making people think about traffic safety a little more often.

Find the square root of the product of all the two-digit numbers for which it is true that the number is equal to the product of its digit divided by the quotient of its digits.

Who knows? Who cares? Why, the members of the Math League, of course. They are a group of 16 sophomores, juniors, and seniors who are guided by their sponsor and friend, Mrs. Scales. Our "Big K" team competes at math meets with four other high schools one Monday every month.

You may have walked past the L.G.I. room the day Kiski hosted the meet. You no doubt saw a group of students leaning over their desks working diligently on a difficult math problem. However, no matter how difficult the problem, Kiski often manages to struggle through and come up with the solution. Win or lose, our Math League never abandons that old Kiski Spirit. They are always right back to their pencils ready to attack the next problem.

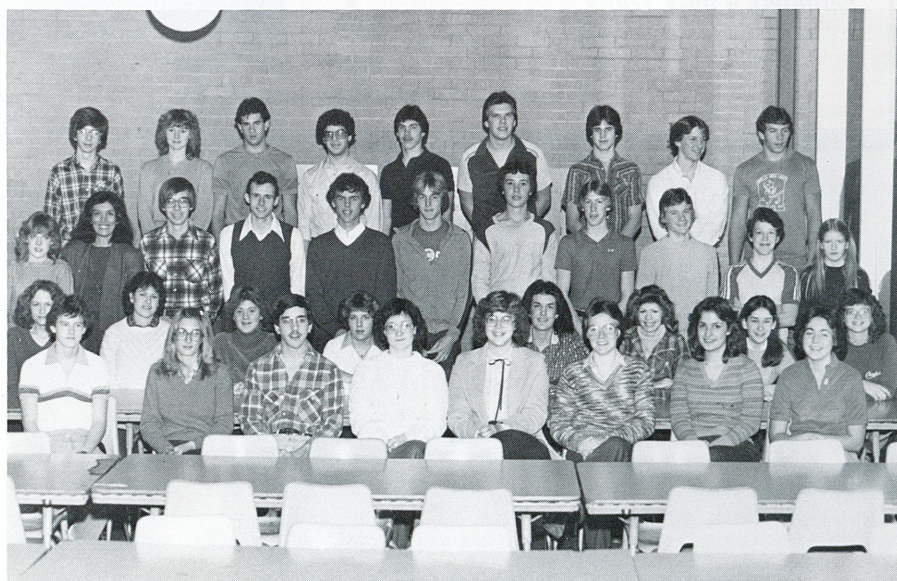

Oh, just in case you were wondering, the answer to the above problem is 30.

If you ever happen to overhear a student saying they love math, you probably have come upon a member of the Math Club.

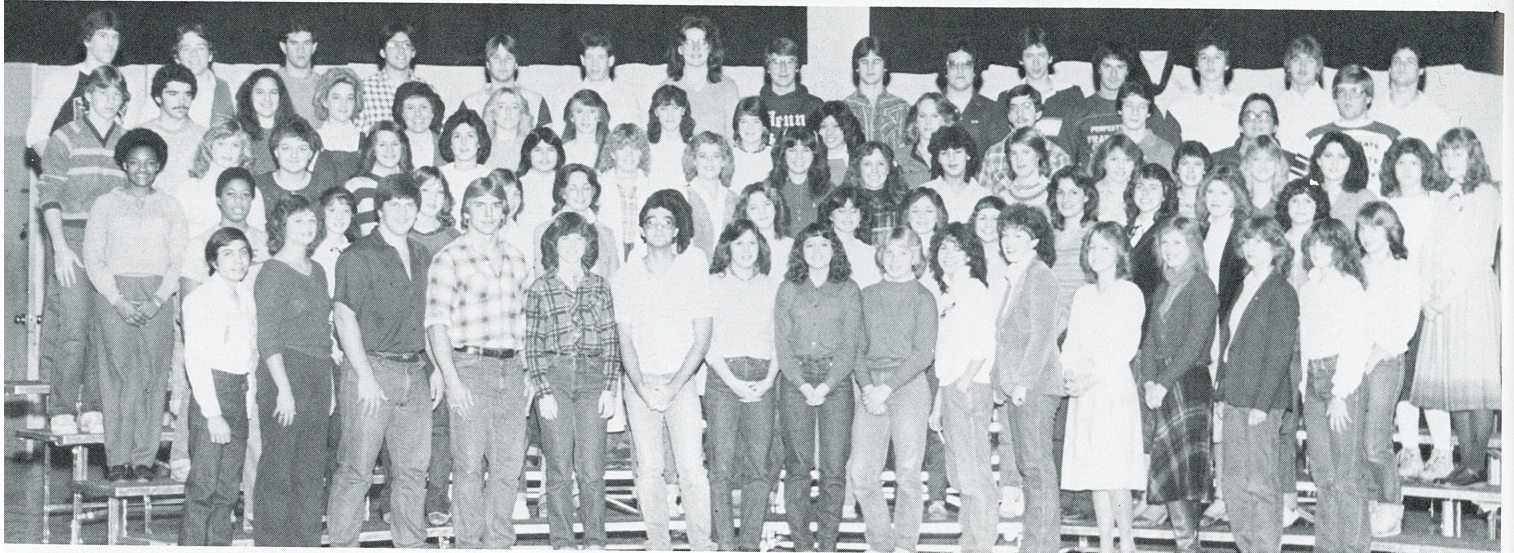

The members of the Math Club, along with our sponsor, Mrs. Scales, get together to solve tricky math problems and conquer complicated puzzles, just for fun. They also tutor students who are having problems in whatever math course they are taking.

The Math Club is a wonderful opportunity to gain mathematical knowledge and meet other students who share a common interest in math.

The Student Council consists of two elected representatives from each home-room. Although these elections were held rather late in the year, the Student Council still managed to get a great deal accomplished. Some of the activities included: a carnation day, concerts during activity period, and a hat day. Also, the Student Council helped to raise funds for the year-book and for the drafting club's project (painting the walls). So, under the leadership of Don, Jim, Linda, and Dan, it was definitely a busy year.

You may ask yourself, "What exactly do the student secretaries do?" Well, there are two kinds of student secretaries.

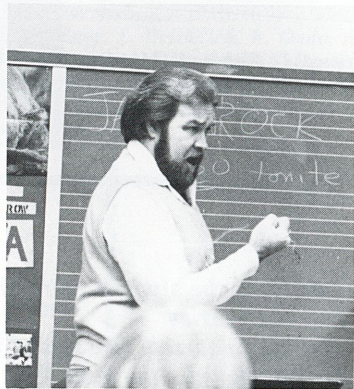

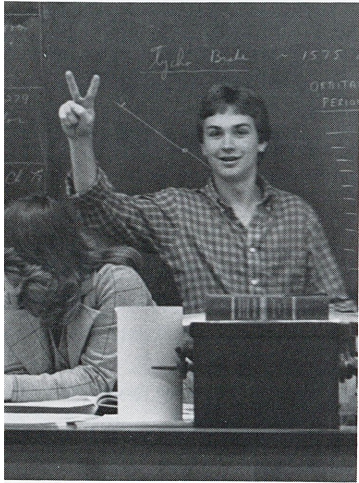

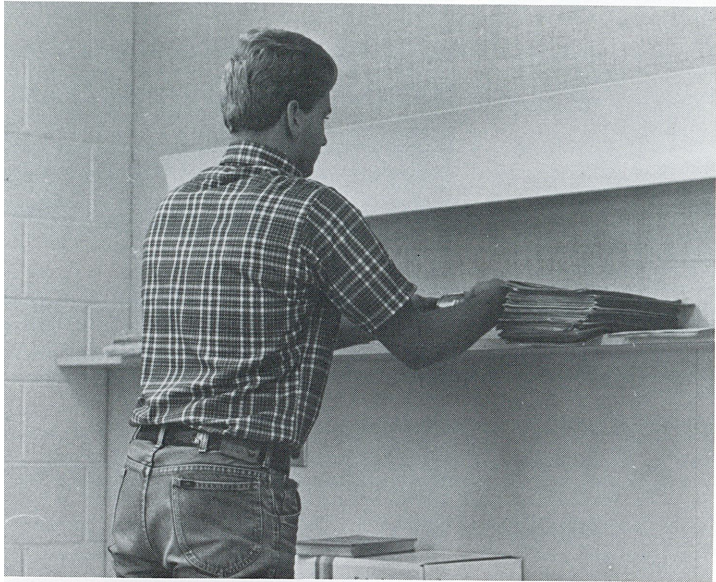

The "magic" behind the teachers who can correct five sets of tests and make enough dittoes to cause a paper shortage by the next time you have class is the students who are assigned to be a secretary for a teacher.

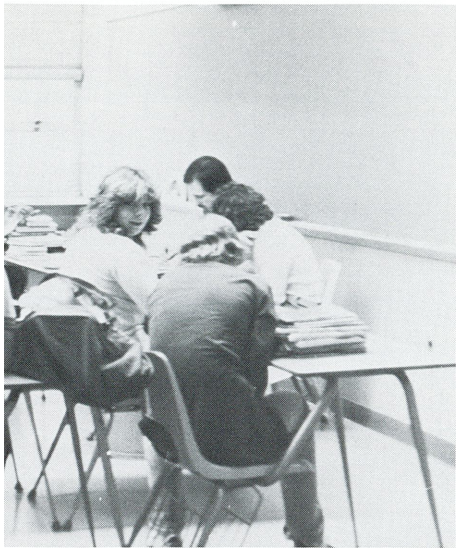

Secretaries who work in the main office are the people responsible for delivering the morning and afternoon bulletins to the far reaches of the school building. They also deliver mail and packages. Working in the main office allows the student secretaries to see the faculty and administration as more than faces with names or as a teacher of some subject.

Anyone from one of these two categories will tell you that being a student secretary is hard and tiring but always enjoyable.

This year's team was blessed with several talented individuals. Before the season started we all thought that we were going to win the section. However, after the first couple of games, we were struggling with a 1-2 record. At this point, we realized that we were going to have to work hard towards our goal; section champs. From then on, we won 7 out of our next 8 games and we were in first place. Then last half of the season was filled with exciting games that weren't to be decided until the final out. At the end of the season we were tied for first place with Springdale, which meant we would have to have a playoff game to determine the champ. In the playoff game, nothing went right for us and we lost 8-3. Even though we didn't win the section, it was the most successful season in several years. This year's MVP was Marty Garda.

SPRING SPORTS

Kiski can certainly be proud of the hard work that the Girls' Softball Team displayed last season. During practice, the girls could be seen working out in the batting cage, and running and sliding all over the gym floors to catch the softball. But the black and blue marks that they got were soon forgotten when they finally got on the field to play, and playing the game was definitely something that the girls did well. After all, with Mr. "K" as their coach, they finished the season with a winning record. But then again, what else could you expect from a Kiski team?

The 1981 tennis season was moderately successful. At the start of the season there were doubts about where the season would lead. As the season wore on we realized we were not that bad. Even though the section championship was out of our reach, we finished the season on a high note with a victory over the Plum Mustangs. This year the KA tennis team has high hopes for a winning season.

Through wind, snow, sleet, and rain the KA track team was always at its best. We started at the end of February and continued through May. The conditioning in the first couple of weeks was the worst and the weather usually didn't help much.

With the help of coaches Hauser and Antenucci the distance runners braved the cold and ran quarters on the track. The sprinters practiced their form and the weight men lifted weights and threw the shotput and discus.

All this hard work paid off and by the time the Invationals and Counties rolled around we had many award winners. We had a good season and we are looking forward to an even better season next year.

At the beginning of the 1981-82 season, we expected to have a winning season. But, it was not to be.

Mr. Foreman always kept an eye on us during practice. If we did not practice up to his expectations, we left the gym and had to run in the tunnel. We spent a lot of time in that tunnel, but nobody ever murmured a word. I guess that showed our dedication, but people don't look at dedication, only the win-loss column in the newspaper. The 1982 basketball team had a losing season, although in our minds we know we gave 100% and in our book that spells a winner.

Running sprints, doing lay-ups and defensive slides, and jumping rope, are only a few of the many "fun" things that members of the Girls' Basketball team had to do to get in shape for their season. The team this year was coached by Mr. Pipkins and was led by senior captains Pattie Jo and Donna. The toughest game for the girls was probably the one against Gateway. They may have lost some games, but they worked extra hard and proved to be a dedicated team.

CROSS COUNTRY

Returning Lettermen- C. Schreffler, B. May, R. Smallwood, S. Amblod.

The K-A Cross Country team is a group of hard-working enduring athletes who were determined to meet their goal all season to be the best possible. Although this goal was not met, we still ran our hardest for Coach Hauser.

Our endurance carried us through creeks, up hills, and on gruelling trails. Mr. Hauser always made sure that our desire to win was not overcome by our laziness. We always did our best to please Mr. Hauser and come up with a victory.

Our team had many talented runners. The captain, Rick Smallwood, won a medal at an invitational. Brian May and Pat Gavaghan were two other dedicated athletes.

Even though our team didn't achieve all the planned goals, we still had a good season and a great time working together as a team.

Every Monday, Wednesday, and Friday during activity period, you will find a group of hard-working and dedicated athletes down in the gym. In a few short years, we have worked our way from a small club to what is now known as the Fitness Team.

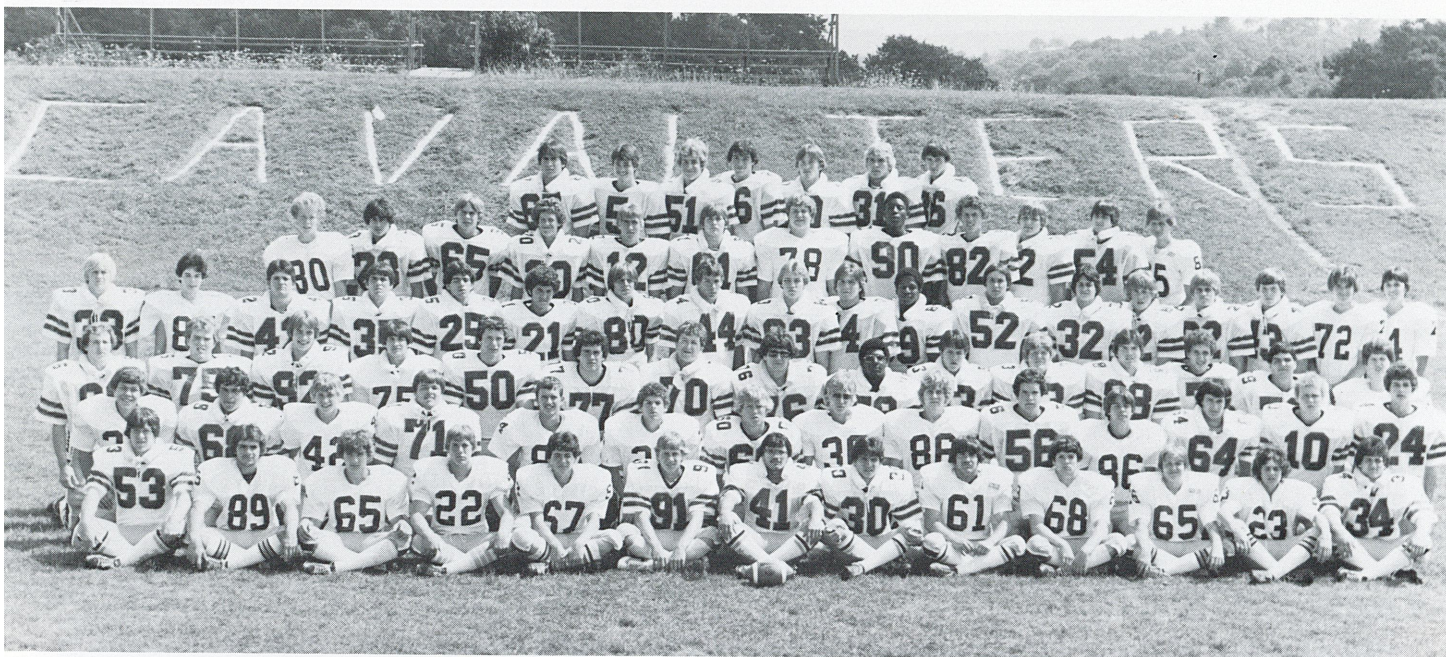

Even though there are only a few meets each year, in which everyone competes in five events; sit-ups, push-ups, standing broadjump, pull-ups, and the 300 yd. run, all of those grueling practices paid off. With the help of our coach, Mr. Toy, who pushed us when we thought we couldn't do any more, it turned out to be a great year.

FOOTBALL

At the beginning of Kiski's 1981-82 championship football season, we knew we were about to face our greatest challenge: To win our third Foothills Conference title in three years. In the first game of the season, we tied with Plum and then went on to win the next three games. Following the Latrobe game, we had one week without a game. That hurt the team's timing which might have been a factor in the next game. After the loss to Laurel Highlands in the fifth game of the season, many people thought that the Cavaliers no longer had a chance for the Foothills title. We had an uphill battle to fight, but we made ourselves a promise to do our very best to win. We won the next three games and the conference title came down to the last game of the regular season, with Hempfield at Davis Field. It was a very close game, but with all the support of the students and fans, Kiski prevailed 24-22. Our third Foothills title came along with the win.

We entered the playoffs with one goal in our mind; to win the W.P.I.A.L. crown. We remembered our 17-0 loss to Penn Hills the year before in the quarter finals and hoped to have a chance for revenge. However, Penn Hills never made it to the playoffs. Instead we played against a very psyched-up Central Catholic team. The game was very exciting, but the Cavaliers wanted to play on "turf" and we won 14-7. In our last game of the season, we traveled to Pitt stadium to play North Hills in the semi-finals. We thank everybody that came to support us on that cold Saturday afternoon. We lost 14-7 in a very physical game that took its toll. Given another chance the team feels that we would have won. The 1981-82 season came to close that afternoon. However, it was a great season with a lot fan support which has'nt been seen for some time.

If you were to describe the members of the 1981-82 Kiski Golf Team in one word it would have to be survivors. We survived the walks up the hill, the rounds in the rain the nines on par threes, and the rides to matches in our plush van.

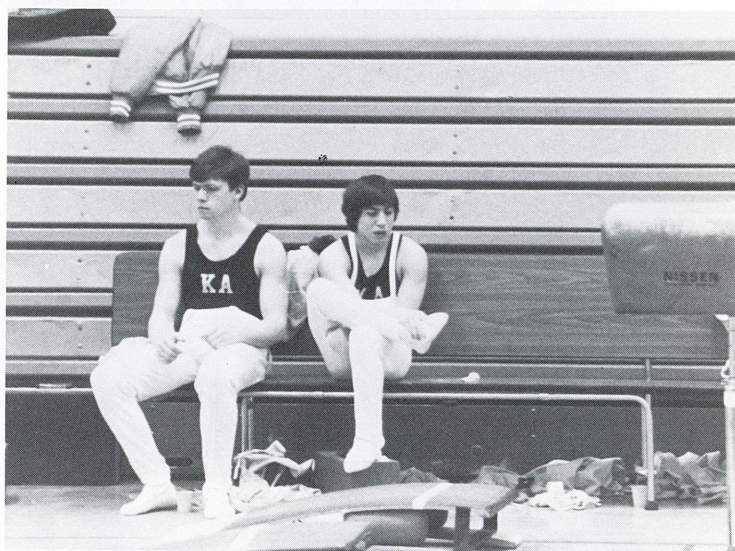

We survived lakes, sandtraps, lightning, and strategically placed pine trees. We survived hooks, slices, shanks, and hacks. Still, after all this, we went on to capture second place in section XII.

This years success of the Kiski Area Varsity Gymnastics team could not have been done without the effort and time given by head coach Dem Answine and, a one time K.A. Gymnast Ed Zehumensky, our assistant coach.

Behind our winning season of 6-2, there was a lot of hard physical and mental work. But the work paid off as we received the runner-up trophy at the W.P.I.A.L competition, and proceeded to compete at the P.I.A.A. state competition as a team, something no other K.A. Gymnastics team has ever had the opportunity to do. This seasons defeat of Peters Twp. put us in 2nd place, and also made it the 100th victory in the career of coach Answine.

Through the work and determination of the team and extra encouragement from team captain Matt Peters, we had our best season ever. Matt also had a personal high scoring season. This year he set a K.A. all-around record score of 49.01 and an 8.9 record on the High bars. He, along with Dan Terosky and Sam Stancik, qualified for individual competition at States. Matt as all-around, Dan on Rings and Sam on the Parallel Bars.

This years swim team got off to a slow start, considering our coaches were hired a month before the season began. Throughout the first month we practiced long and hard and got steadily better.

Although we did not fare so well in our first three exhibition meets, we turned in a 4-1 section mark, thanks to our coaches secret slim formula, which made it good enough for a second place finish.

As swimmers, we learned alot from our coaches, Mr. Bass, Miss Troilo, and Mr. Pollick, as well as our team mates, which built better friendships and a great team.

Who are the girls who set, bump, spike, serve, roll, and dive on gym floors? Well, the answer is the Girls' Volleyball team. Once again, with a lot of hard work, we managed to finish the season with a great record. We placed second in our section, losing to Plum in the play-offs. (But we certainly did give them a good, tough battle.)

Although the six seniors will be leaving . . . Look out! Because . . . Next year's team will continue to do what we in the past have done. That is . . . work, sweat, and eventually prove, that Kiski girls are #1!!!

The wrestling team closed the season this year with a 3-11-1 record. There were many close matches that were lost by only a few points. The highlight of the season was the upset of Hampton who was runner-up in section competition until the Kiski Grapplers defeated them. We also had a change in the coaching this year with a new assistant coach Terry Moorehead who ground us into the mat with conditioning. The wrestlers would like to thank all the fans for their support and Head Coach Robert Berberich for his dedication and hard work which made us a better team than in past seasons.

Success

*Success is speaking words of praise,
In cheering other people's ways,
In doing just the best you can,
With every task and every plan,
It's silence when your speech would hurt,
Politeness when your neighbor's curt,
It's deafness when the scandal flows,
And sympathy with other's woes,
It's loyalty when duty calls,
It's courage when disaster falls,
It's patience when the hours are long,
It's found in laughter and in song,
It's in the silent time of prayer,
In happiness and in despair,
In all of life and nothing less,
We find the thing we call success.*

Confide in a Friend

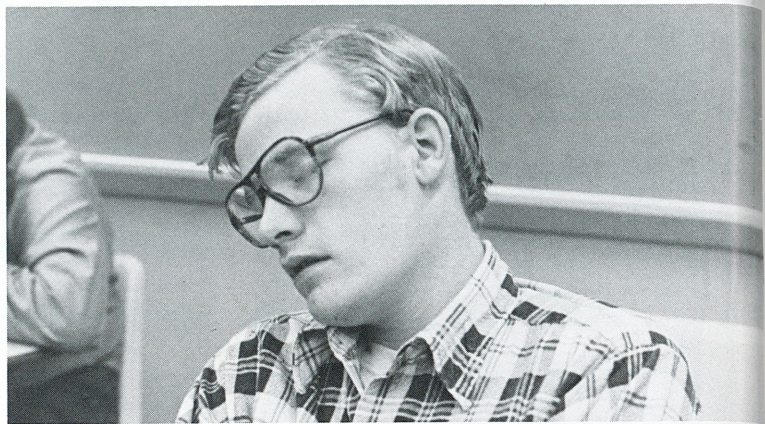

*When you're tired and worn at the close
of day
And things just don't seem to be going
your way,
When even your patience has come to an
end,
Try taking time out and confide in a
friend.*

*Perhaps he too may have walked the same
road
With a much troubled heart and
burdensome load,
To find peace and comfort somewhere
near the end,
When he stopped long enough to confide
in a friend.*

*For then are most welcome a few words of
cheer,
For someone who willingly lends you an
ear.
No troubles exist that time cannot mend,
But to get quick relief, just confide in a
friend.*

-Anonymous-

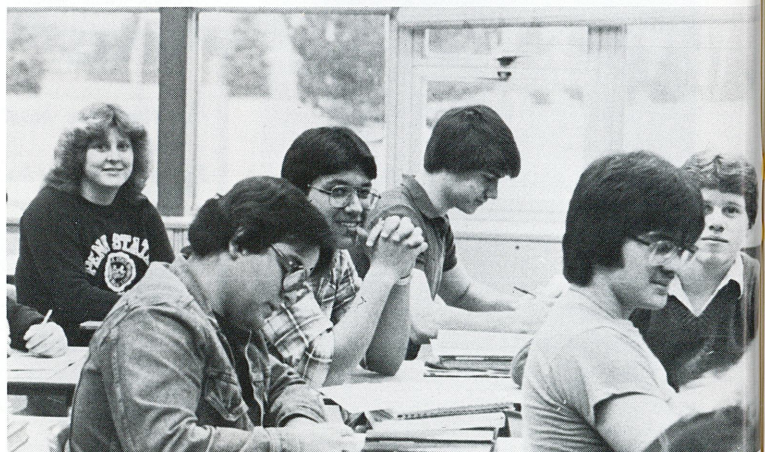

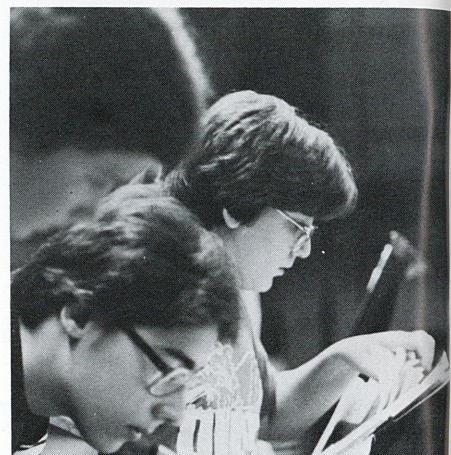

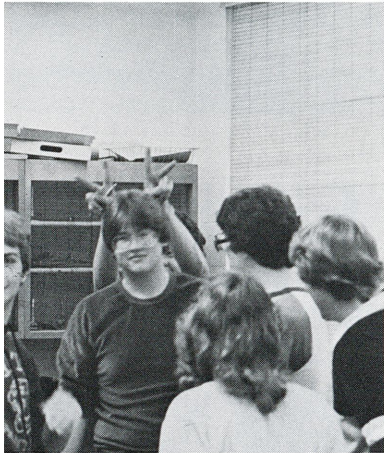

My Friend

*We didn't go to elementary school together
or even junior high
but I feel as though we did.
I can't remember when we stopped being
acquaintances and became friends.
But now it is the end of our years
at Kiski,
soon it will be graduation.
Our paths are going to separate.
We've chosen colleges
in different states
and only God knows
when we will meet again.
We've shared more in three years
than some people share in twelve.
We were close enough to know
what each was thinking.
In looking back I think of the tiring work
in classes but also of how you made it fun.
I remember how your face was swollen
after having your teeth pulled.
I remember all the times at lunch
when you borrowed my English.
And most of all I remember the times
we just laughed at ourselves.*

*We became busy and didn't talk as much.
You started spending more of your time with
other people.
I felt sad but a treasure should be shared
not kept secret.
When I saw other people with you
I smiled and hoped
that they would get to know you as well as I did.
When someone mentions you,
happy memories flood over me.
In the years to come
if you think of me-I hope you smile.*

Life's Mirror

*There are loyal hearts, there are spirits brave,
There are souls that are pure and true;
Then give to the world the best you have,
And the best will come back to you.*

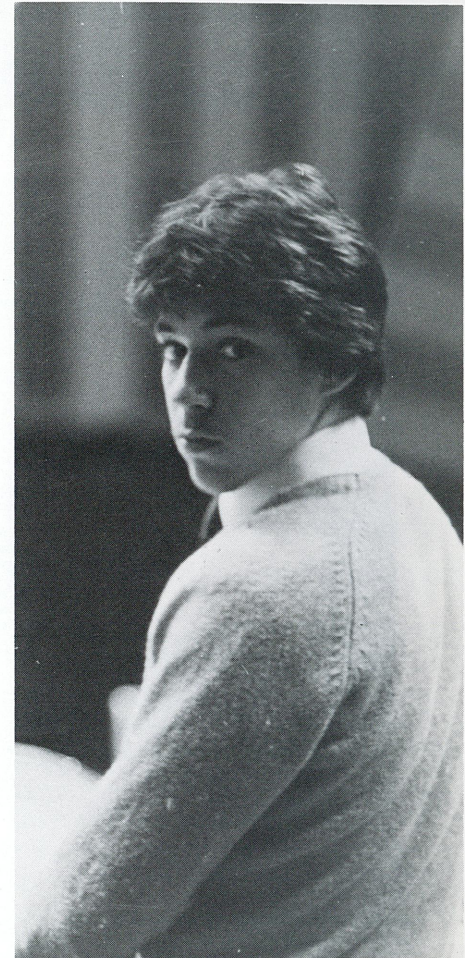

*Give love, and love to your life will flow,
A strength in your utmost need;
Have faith, and a score of hearts will show
Their faith in your word and deed.*

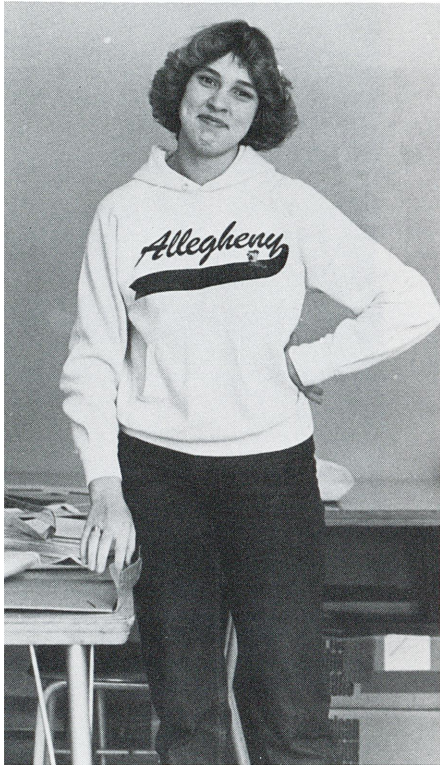

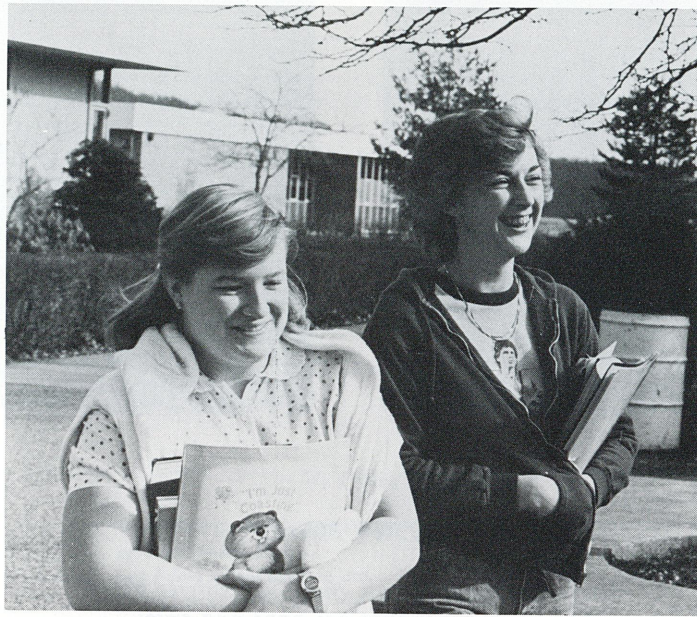

*Give truth, and your gift will be paid in kind,
And honor will honor meet,
And a smile that is sweet will surely find
A smile that is just as sweet.*

*Give sorrow and pity to those who mourn;
You will gather in flowers again
The scattered seeds of you thought outborne,
Though the sowing seemed but vain.*

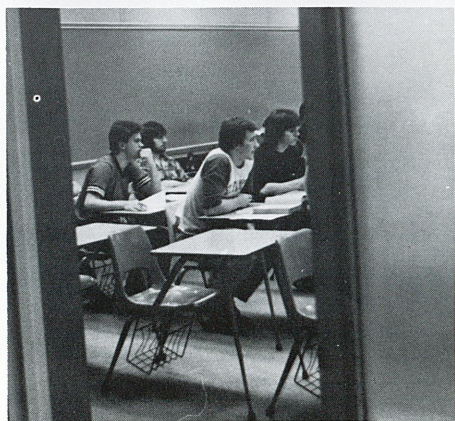

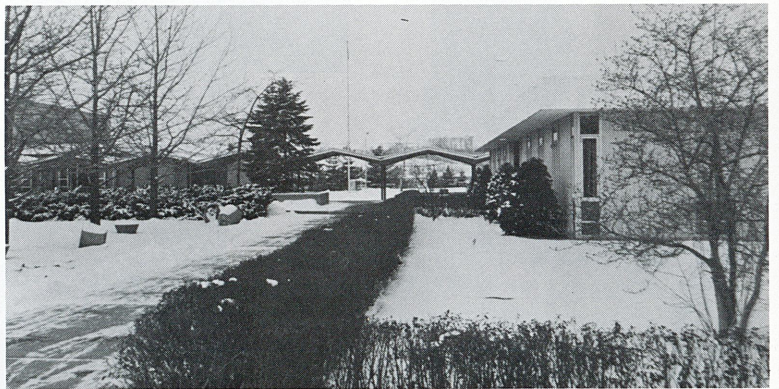

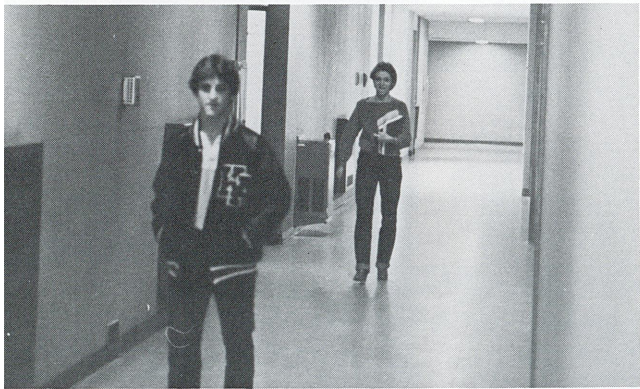

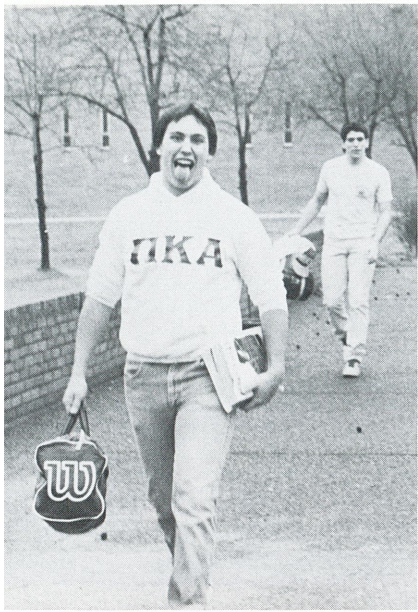

*For life is the mirror of king and slave-
'Tis just what we are and do;
Then give to the world the best you have,
And the best will come back to you.*

*-Mary Ainge De Vere-
"Madeline Bridges"*

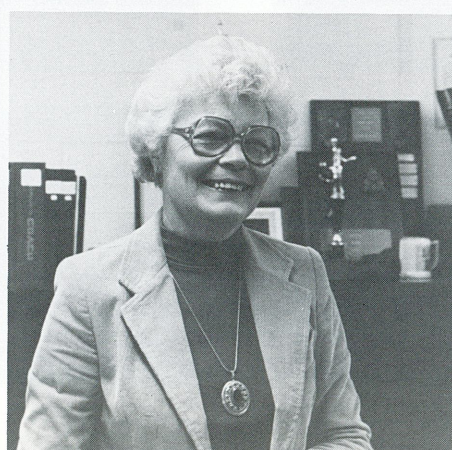

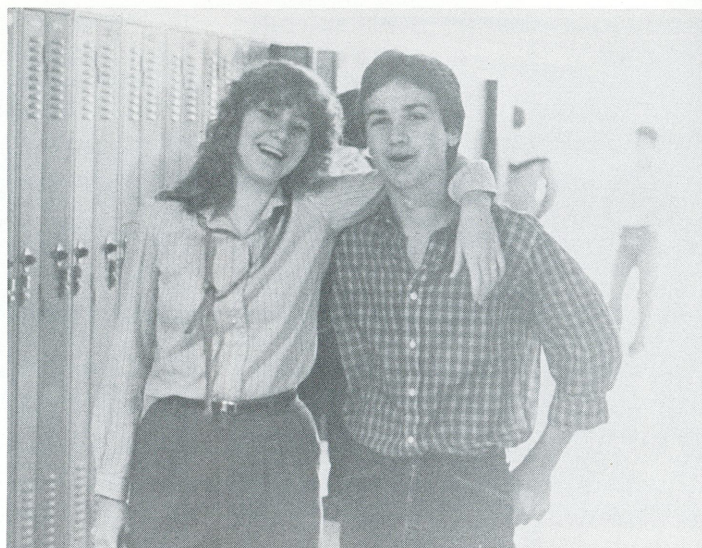

Giving and Forgiving

*What makes life worth the living
Is our giving and forgiving;
Giving tiny bits of kindness
That will leave a joy behind us,
And forgiving bitter trifles
That the right word often stifles,
For the little things are bigger
Than we often stop to figure.
What makes life worth the living
Is our giving and forgiving*

-Thomas Grant Springer-

Memories

*Reading through the yearbook autographs,
(even if they're only last year's)
my sentimental feelings start welling up in me again,
knowing that my life will never be back there again.
The feelings I should have shown,
the things I should have said,
the way I should have been.
You know-"if only . . ."*

*Sad feelings about "I wish . . ."
but it never happens.
Happy memories about "the time we . . ."
and that makes me laugh
out loud,
and inside myself.
And I wonder if they remember that too?*

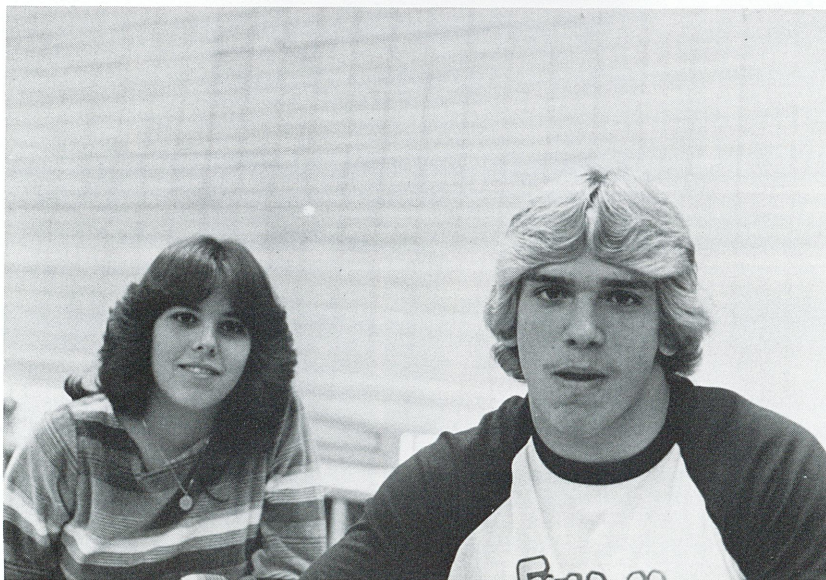

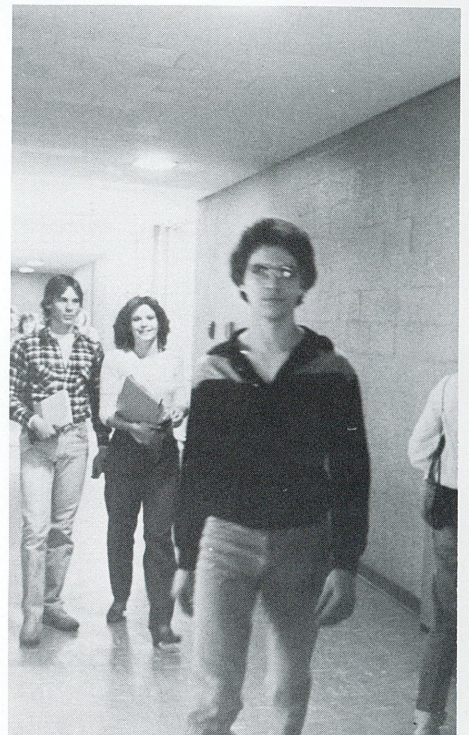

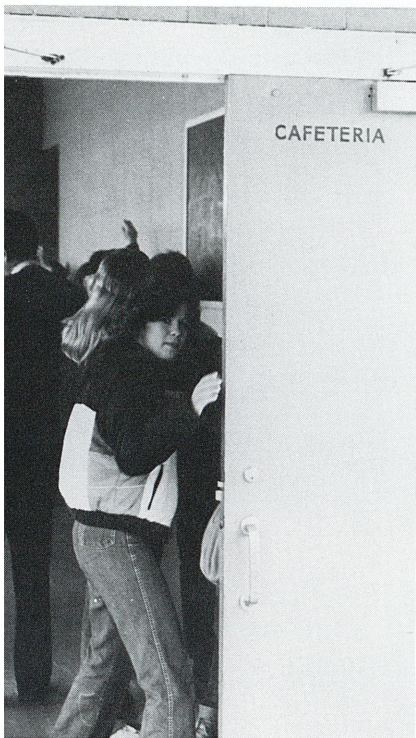

*I am alive
and things will still happen-
happy and sad things.*

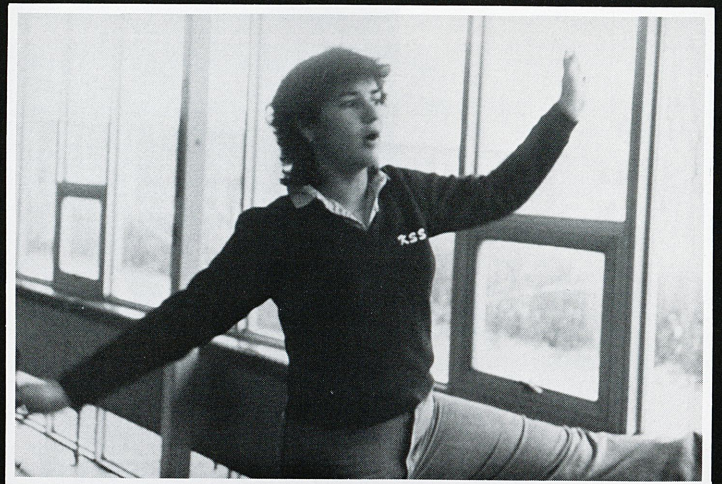

*I will remember all those and
end up doing what I'm doing right now.
Remembering the thoughts of sadness
and feeling bad,
and then happy times-
and I was there!*

*That's the thing.
My over-all feeling is
of sadness of not being back there
but . . . I was there!
I participated in all those things
that I remember.
And I like it.*

Joan Speer

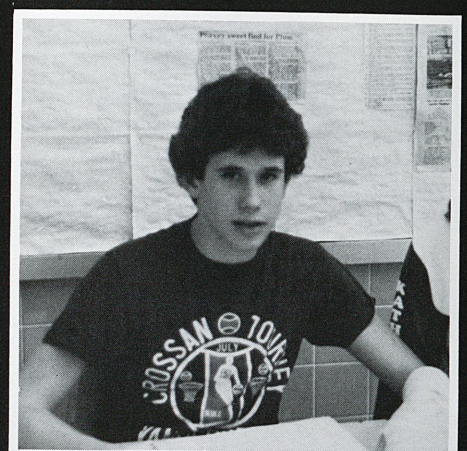

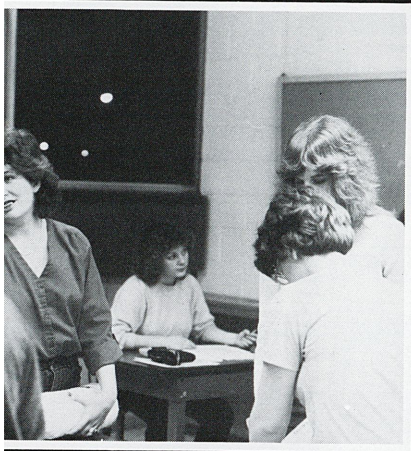

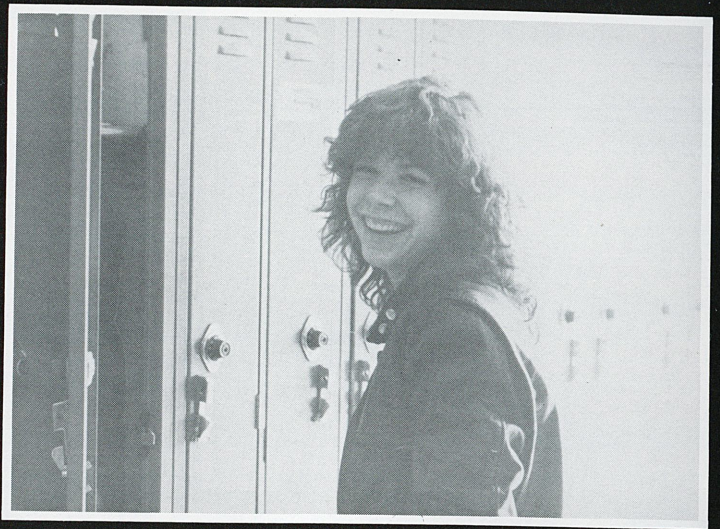

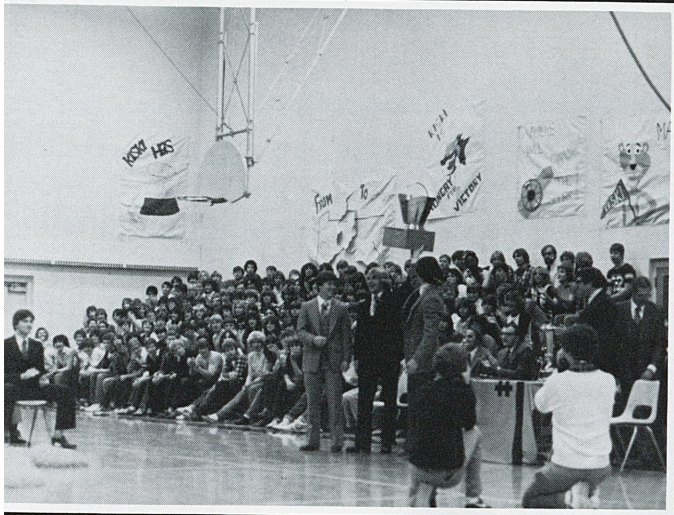

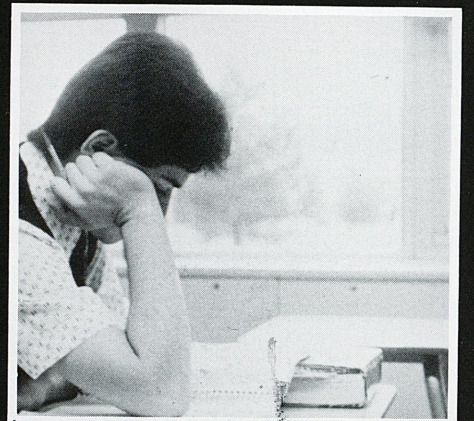

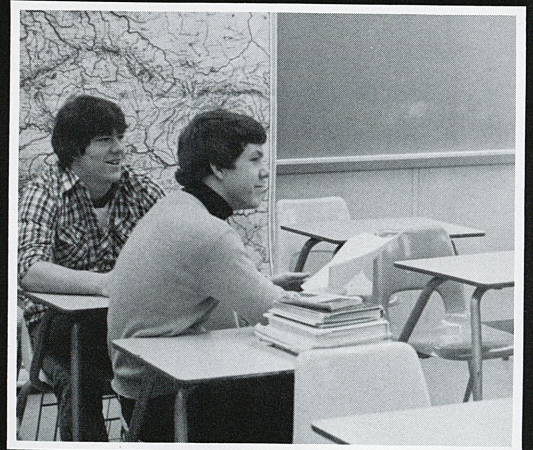

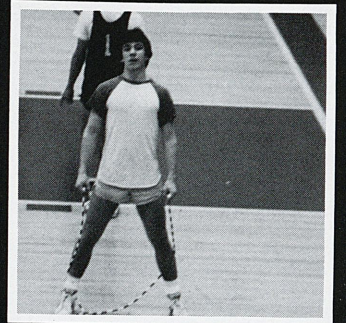

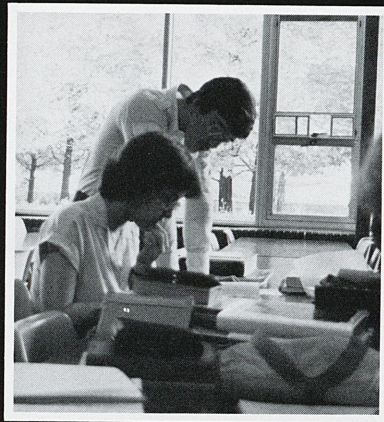

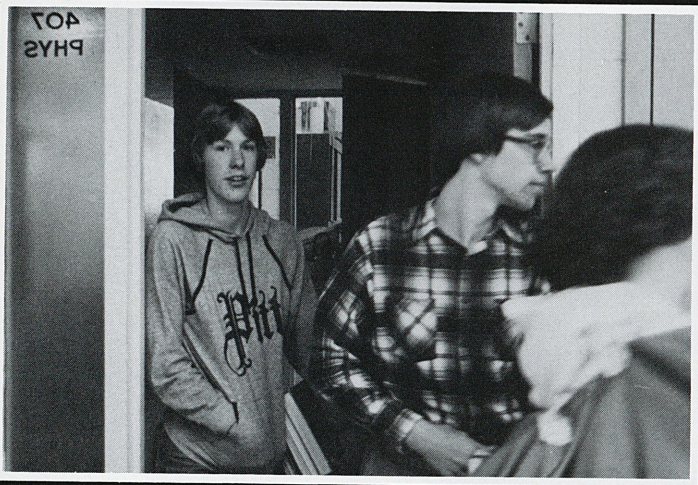

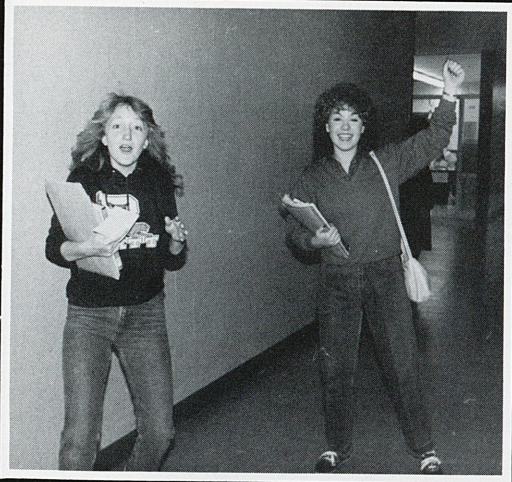

Keep Going

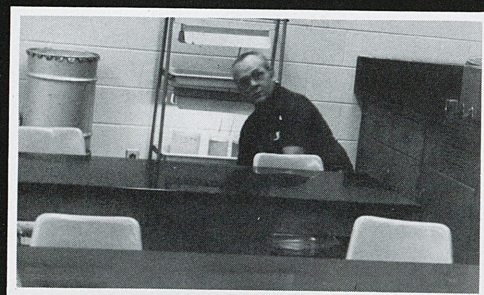

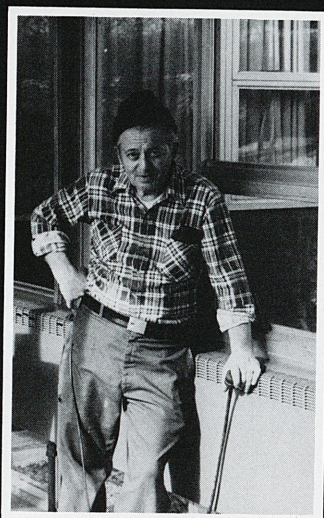

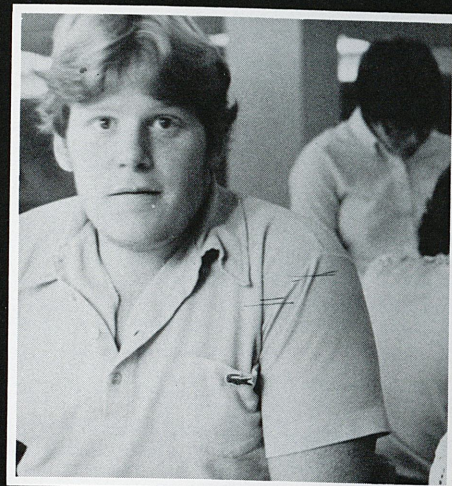

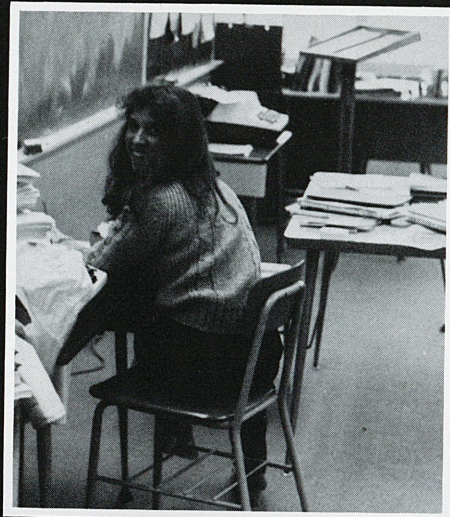

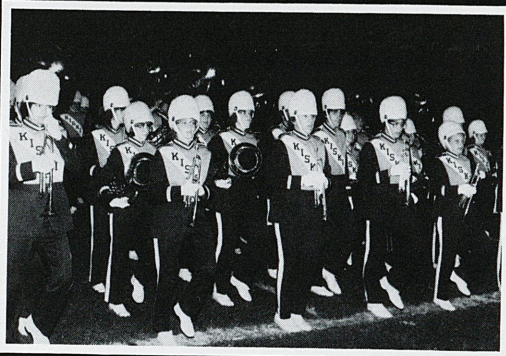

*There's no skill in easy sailing
When the skies are clear and blue.
There's no joy in merely doing
Things that anyone can do.
But there is great satisfaction,
That is mighty sweet to take
When you reach a destination
That you said you couldn't make.*
